# THE FOUNDERS' CIRCLE

Providing founding support and leadership to the U.S. Olympic Museum

The first comprehensive museum and hall of fame in the United States celebrating the achievements of our Olympic and Paralympic athletes and slated to open in 2018.

The Founders' Circle collectively provides millions of dollars in early funding for the U.S. Olympic Museum. Members' gifts are helping to create momentum, engage leaders in the project, and broaden the base of support.

Members in the Founders' Circle make a one-time commitment of \$100,000 or more. Members receive regular updates on the progress of the project, will be recognized in the museum as Founders, and will enjoy VIP status at museum opening events.
